

Patient Instructions

On Smart Phone/Tablet:

1. Download the Zoom app from your App Store.
2. From your e-mail: click the link to 'Join Zoom meeting' in your e-mail
 - a. If you have the App downloaded, it will prompt you to open it.
 - b. If the App is not yet downloaded, it will prompt you to download it. If you do this, you will have to return to the e-mail and click 'Join Zoom meeting' again.
3. Allow sharing of audio and video.

On Laptop with camera:

1. Click on link in e-mail to 'Join Zoom meeting.'
 - a. If this is your first time using, you will need to download the application when prompted.
 - b. If you have used Zoom before and already downloaded the application, it will automatically open.
2. Click 'Join Meeting' when the dialogue box opens.
3. Enter your name.
4. Allow sharing of audio and video.
